O Other information

If you want to give any more information that would help us work out your benefit, please give details in this section. If there is not enough room, please add a separate sheet of paper.

We normally pay benefit from the Monday following the date you first contact us telling us you intend to claim. This rule will only apply if you return the fully completed form within one month of the date you first contact us.

If you are the tenant of a private landlord, we will normally pay Housing Benefit direct to you – not to your landlord.

However, every council has Safeguard guidelines to protect vulnerable tenants. Each case is looked at individually.

We may pay your landlord direct if:

- We think that you are likely to have difficulty in managing your affairs
- We think that it is likely that you won't pay your rent
- You are in arrears by eight weeks or more, or are having deductions made from your Income Support, Job Seeker's Allowance, Employment and Support Allowance, or Pension Credit, to pay off rent arrears. But we will only pay your landlord direct if it is in your best interest.

Examples of where the Safeguard guidelines may apply:

If you

- have learning disabilities
- have medical conditions
- cannot read and write, or speak English
- are addicted to drugs, alcohol, and gambling
- have mental illnesses that seriously impair your ability to manage on a day-to-day basis
- are fleeing domestic violence
- have left care recently
- have just left prison following a long sentence
- have severe debt problems
- have had recent county court judgements
- have a proven, and substantial, history of rent arrears
- are an undischarged bankrupt
- have previously left a property, leaving substantial rent arrears
- receive help from a homeless charity

This is not a full list, and we will look at other circumstances in which you may have difficulty managing your money.

For further information please ask us for a leaflet, or contact the Benefits Service on 01843 577552

Paying Housing Benefit

Tenants affected by the Local Housing Allowance:

We will pay Local Housing Allowance direct to you, **not** to your landlord. So it will be your responsibility to pay the rent to your landlord. However, we will consider making direct payments to landlords for tenants who are unable to manage their own financial affairs; or who are not capable of taking responsibility for paying their rent; or if their rent is in arrears by 8 weeks or more.

Please note that we only pay Housing Benefit by BACS and it will be paid direct into your bank or building society account.

Unfortunately, we are not able to pay into some accounts, such as Individual Savings Accounts (ISAs), Post Office Card Accounts and some Savings Accounts. If you are not sure about the account you want to use, please ask your bank or building society.

Please complete the details below.

1 Name and full address of your bank or building society

2 Names as they appear on the account

3 Branch sort code

4 Account number

5 Building society account/roll number

If you cannot open at least a basic bank account, or you think that you may need safeguarding (see section P), please contact the Benefits Service **straight away** on 01843 577552

If you are not affected by Local Housing Allowance, who would you like your benefit paid to:

You? Your landlord? Your landlord's agent?

If to 'your landlord', or to 'your landlord's agent', you must ask your landlord to complete the declaration on pages 24 and 25.

If you want to give us permission to share information with your landlord or their agent, please read the following information.

Sometimes sharing information with your landlord or their agent helps us to deal with your claim quickly. This reduces the risk of you falling behind with your rent because of your claim being delayed. We would only share information with your landlord or their agent if you:

- are a Thanet District Council tenant; or
- have agreed that your Housing Benefit can be paid directly to your landlord or their agent.

But in either case, under the Data Protection Act we need your permission to share information.

If you give us permission, we would be able to tell your landlord or their agent:

- whether or not you had claimed or renewed your claim for Housing Benefit and, if so, whether we have made a decision on your claim or not; and
- if we need further information to make a decision on your claim and, if so, what that information is.

There may be other information about your claim that we need to check with your landlord or their agent, such as the date your tenancy started, before we can make a decision on your claim. We have to ask them even if you have not given us permission to discuss your claim with them. Unless you have given us your permission by signing this form, we will not discuss anything else with your landlord or their agent.

If you do not give us permission to discuss your claim with your landlord or their agent, it will not affect your claim. If you give us permission but then change your mind, we will follow your wishes. Just contact us and let us know.

If you want to give us permission to discuss your claim with your landlord or their agent, please fill in the following information and sign below:

Note:

If you are affected by Local Housing Allowance, and you want us to share information with your landlord, you must sign this declaration.

I give permission to share my information about the progress of my Housing Benefit claim with my landlord or their agent.

Because of these changes, we have now registered the Housing Benefit and Council Tax Benefit database for access by the Home Office.

These notes will help you fill in this form and understand a bit more about Housing Benefit and Council Tax Benefit. You should also read the notes that are in the form.

Who can claim Housing Benefit or Council Tax Benefit?

Anyone who is on low income and has to pay rent or Council Tax; you do not have to be unemployed to claim.

If you are single and have other adults living with you who are on a low income, you may get Second Adult Rebate instead of Council Tax Benefit. If you provide all the information that has been asked for, we can work out this for you.

Filling in the form

Please answer all the questions.

Unfortunately, we have to ask lots of questions to make sure that you get all the benefits you are entitled to. If you need help filling in this form or you need any advice, please contact the Benefits Service.

If the form is not filled in properly, we will send it back to you with a letter saying what you need to do next. This may mean that there will be a delay in your benefit being paid.

If you are a council tenant or are just applying for Council Tax Benefit, do not complete section M.

Returning the form to us

If you want to claim, you must return the form as soon as possible as any delay may result in the loss of benefit. This is because benefit is normally paid from the Monday after we receive your form.

As well as this form we must see proof of your income and savings, and so on. If you receive Pension Credit we will not need to see proof of your income and savings.

If you do not have all the proof ready, you should return the completed form straight away and provide proof later.

We must see the **original** documents – photocopies cannot be accepted. Please make sure that anything you provide has your name and current address on it.

Any valuable items you send to us will be returned straight away by post. For example passport, and bank book.

If this is the first time you have claimed from us we will need to see 2 proofs of identity for both you and your partner. For example driving licence, utility bill, birth or marriage certificate, or passport.

If you need a visit or advice, please contact the Benefits Service.

What if something changes?

Your benefit will be worked out using the information you have given on this form. If anything changes, for example your income goes up or down, or someone leaves or joins your household, you must tell us immediately in writing.

WARNING: If you do not give the correct information, or fail to tell us about a change in your circumstances, you may be committing fraud and this may lead to you being prosecuted.

When we receive your form and all the required proof, we will work out your Housing Benefit and Council Tax Benefit. We will then send you a letter telling you how much you have been given. You must check the letter to make sure that the information we used to assess your claim is right. If the information is wrong or you need advice, you must contact the Benefits Service straight away. Any benefit due will be sent to you or paid into the appropriate account, depending on your circumstances.

Backdating

In most cases benefit is paid from the Monday after we get your application form, but in some cases we can pay it from an earlier date. If you would like us to consider backdating your claim, you must write in section O the date you want your benefit paid from and why you did not claim benefit earlier.

You must be able to give good reasons why you did not claim before and send in any proof to support your request.

Appeals

If you are not happy about the amount of benefit that has been given to you, you can ask us to check it to see if it is correct. Details of how and when to do this will be sent with your benefit award letter.

Changes in your circumstances

If any of the details you have put on this form change, you must tell us about them in writing, immediately. If you are unsure whether a change will affect your claim please tell us anyway.

Changes of address

If you change address or room you must tell us, we will then ask you to fill in a shortened application form straight away. If you do not do this you may be overpaid; you could also lose benefit.
