

Council housing transfers

Do you want to move?

If you are a current tenant of Thanet District Council or one of our partner housing associations, you can apply for a transfer if you wish to move.

It may be that your home is too big or too small for your family, or you wish to move to another town.

You can also apply if you have serious medical problems made worse by your current housing situation.

Transfer applications can be made if:

- You have lived in your property for more than 2 years and are a permanent tenant.
- Have a clear rent account and no breach of tenancy.

Is your house too big for you?

If the accommodation that you live in is too big for you, for example your children may have left home, you may be entitled to apply for our Incentive Scheme to enable you to move to a smaller property.
