

Place Survey - Prize Draw Terms and Conditions

We will only accept one entry per household (and entrants must be over 18). The prize is not transferable and there is no cash alternative. The decision is final and we will not accept any appeals. The draw will be held on Monday 2 February 2009 and we will write to the winner. Our employees and their immediate families cannot enter the draw. If you enter the prize draw we will consider that you have accepted the rules. Thanet District Council may use any or all data regarding entrants obtained from the administration of the scheme for publicity in connection with the prize draw, and for market research, future promotions and information regarding products and services of Thanet District Council. The entrant agrees to such use of the personal data, which will be kept at Thanet District Council premises.
