Introduction

Our summer sports brochure includes many of the different sports activities on offer in Thanet this summer.

The activities are organised or funded by Thanet District Council's sports team as well as others provided by local sports clubs and facilities - so whether it's daily activities, a sports course or a one off event, there is something for everyone aged between 5 - 18 years.

How it works?

The following pages will give you all the information you need including dates, times, venues, costs and whether you need to book or not.

There is a special information key at the bottom of each activity with symbols as shown in the example below;

Age: 5 - 11yrs

BK - Must be booked

TU - Turn up on day

Cost: FREE

Organisation: TDC sports team

The front pages (4 - 11) are organised by Thanet District Council. For all of these sessions you **MUST** register simply by completing the registration form and returning it to the address on the form. Following this you can attend any 'Turn Up' sessions or call to reserve a place on the 'Book' activities. This form can be photocopied if required for further children. This form can also be used to book the activities shown in this brochure (pages 16 - 20) by sending to the organiser direct.

There is also a handy 4-page summer schedule 'at a glance' in the middle of the brochure that can be pulled out for convenience.

If you have any questions regarding the information in this brochure please call Thanet District Council's sports team on 01843 577367 or contact the organisation operating the event as shown in the information key.

NB: All children under 10 must be accompanied by an adult for the activities.

Sports Development Initiatives

As well as the main delivery projects of Sport 4 NRG and Thanet Disability Sports Project, Thanet District Council uses a number of other initiatives to make sure that people in Thanet have the opportunity to remain healthy and active.

Coach Education – The sports team works with local and county providers along with National Governing Bodies of Sport to deliver a range of training courses in the district. The courses enable local coaches to develop their skills and enable them to provide a fun and safe environment and encourage more people to take part in sport.

Club Development – The team supports local sports clubs in a number of ways to ensure they are able to meet the demands of local people and provide a range of sporting opportunities. This includes support for improving facilities, projects to attract new members or achieving 'Clubmark' an accreditation scheme that highlights well run clubs.

Talented Performers – A couple of schemes have been created to help Thanet's leading sports performers achieve at the highest level. The schemes offer free access to local sports facilities for training purposes and also provide discount and support on sports equipment and sports science.

These are open to people performing at County level or higher. For more details on the FACS and FANS schemes please call us on 01843 577673.

Thanet Sports Awards – The first ever Thanet Sports Awards will take place on Wednesday 11th November at Margate's Winter Gardens. These awards aim to celebrate Thanet as a sporting district and categories are open to adults and young people alike. Watch out for more information on how to nominate people in the local Kent Messenger media.
