Subject: RE: Optional Technical Standards Note

To: Annette Feeney <annette.feeney@thanet.gov.uk>

Dear Annette

Thank you for consulting us on the note on Water Efficiency, Accessibility and Adaptability.

We have nothing to add to the case presented in the Note on Technical Standards, from the point of view of Water Efficiency. We support Thanet Borough Council's use of the higher water efficiency standard, and they would be exceptional in Kent if it were not adopted.

If you require any additional information, please do not hesitate to contact me.

Kind Regards,

Jennifer Wilson
