The references must state that they have known you **for two years** or more and must vouch for your honesty, sobriety, and civility.

- * Identification badges now expire at the same time as your licence to drive hackney carriage/private hire vehicles. You must supply a passport-sized photograph at the time of application and return your current badge (please note -the new badge also shows the operator/proprietor's name, if you change to a new operator/proprietor you must obtain a new badge).
- * All applicants are subject to a Criminal record Check
- * Guidance Notes for disclosure applicants attached.
- * All applicants must undergo and pass a knowledge test before a licence can be issued.
- * All applicants must undertake and complete the Visitor Ambassador Course before a licence can be issued.
- * A copy of the Council's Policy Statement and Guidelines on how applications are considered is attached.
- * You are only permitted to drive a private hire/hackney carriage vehicle when the appropriate licence has been granted to you and an official private hire/hackney carriage driver's badge issued (**please note that the badge will expire at the same time as your licence, the badge also shows the operator/proprietor's name. If you change to a new operator/proprietor then you must obtain a new badge**).
- * The making of an application and payment of any fee does NOT permit you to drive a private hire/hackney carriage vehicle.
- * The licence will not be granted unless the Council is satisfied you are a fit and proper person. Also a licence will not normally be granted to any person under 21 years of age and having held a full DVLA or EC licence for one year.
- * The fee you pay is NOT refundable in the event of the Council refusing to grant you a licence (following a decision by the Licensing Board)

NOTES FOR GUIDANCE NOTES ON THE REHABILITATION OF OFFENDERS ACT 1974

It should be noted that since 2002 hackney carriage and private hire vehicle drivers are exempt from the protection of the Rehabilitation of Offenders Act 1974, so that all convictions, spent or otherwise, can be considered in respect of an application for the grant, renewal or cancellation of a licence to be a hackney carriage or private hire vehicle driver.

In 2018 the Institute of Licensing produced guidance on determining the suitability of applicants and licensees in the Hackney Carriage and Private Hire Trades in order to bring clarity and conformity to the definition of a 'fit and proper person'.

[https://www.instituteoflicensing.org/documents/Guidance_on_Suitability_Web_Version_\(16_May_2018\).pdf](https://www.instituteoflicensing.org/documents/Guidance_on_Suitability_Web_Version_(16_May_2018).pdf)

IMPORTANT INFORMATION FOR APPLICANTS STATEMENT OF POLICY ABOUT RELEVANT CONVICTIONS AND POLICE CAUTIONS

A.

When submitting an application for a licence to drive a Hackney Carriage or Private Hire Vehicle, you are required to declare any convictions or Police cautions that you may have. The information you give will be treated in confidence and will only be taken into account in relation to your application.

You should be aware that the Council is empowered in law to check with the police for the existence and content of any criminal record held in the name of an applicant. Information received from the police will be kept in strict confidence whilst the licensing process takes its course and will be retained for no longer than is necessary.

The disclosure of a criminal record or other information will not debar you from gaining a licence unless the Council considers that the conviction or Police caution renders you unsuitable. In making this decision, the Council will consider the nature of the offence, how long ago and what age you were when it was committed and any other factors which may be relevant. I would refer you to the Council's guidelines on the assessment of fitness of persons to be licensed below.

Before any application is refused, you would have the right to appear before and be heard by the Council's Licensing Board. Also, any applicant refused a driver's licence on the grounds that he/she is not a fit and proper person to hold such a licence has a right of appeal to a Magistrates Court.

B.

SCHEDULE OF GUIDELINES

1. In considering applications, in the absence of a legal definition of a fit or proper person, the Council's paramount consideration shall be the safety and welfare of the public.
2. Subject to each individual application being treated on its merits, the Council will normally refuse to grant a licence to drive a hackney carriage or private hire vehicle, or will normally suspend or revoke such a licence if the person concerned falls into one or more of the following categories:-

(a) Age Limit

Has not reached the age of twenty-one years

(b) Licensing Procedure and Requirements

- (i) Refuses to fully complete the Council's licensing procedure; or
- (ii) Knowingly or recklessly makes a false statement or omits a material particular when making an application which, if known, would have been likely to have led to the application being refused; or
- (iii) Has within the five years prior to the application been convicted of any one serious or several less serious offences involving hackney carriage or private hire vehicles licensing legislation; or
- (iv) Has within the five years prior to the application seriously contravened the conditions attached to private hire vehicle driver's licences
- (v) Fails the Council's written topographical Knowledge Test
- (vi) Fails to undertake and complete the Visitor Ambassador Course

(c) **Medical Fitness**

In the opinion of the Council's Medical Adviser (or a specialist consultant nominated by him) is not medically fit to drive hackney carriages/private hire vehicles.

(d) **Motoring Convictions**

- (i) Has been **disqualified** for any reason by a court from driving **in the five years prior to the application**; or
- (ii) **Has accumulated a total of 10** or more penalty points for endorsable motoring convictions in the five years prior to the application; or
- (iii) Whilst not falling into either of the above two categories, has had motoring Convictions which, by virtue of their seriousness and /or repetitive nature, indicate that the applicant is not a fit and proper person to be licensed.

(e) **Criminal Convictions/Police Cautions**

(i) **Drunkenness**

An isolated conviction for drunkenness need not debar an applicant from gaining a licence. However, a number of convictions for drunkenness could indicate a medical problem necessitating critical examination.

(ii) **Drugs**

An applicant with a conviction for a drug related offence should be required to show a period of at least **3 years free of convictions** before an application is entertained, or 5 years after detoxification treatment if he/she was an addict.

(iii) **Indecency Offences**

As hackney carriage and private hire vehicle drivers often carry unaccompanied passengers, applicants with convictions for indecent exposure, indecent assault, importuning, or any of the more serious sexual offences, should be refused until they can show a substantial period (at least 3 to 5 years) free of such offences. **More than one conviction of this kind should preclude consideration for at least 5 years.**

(iv) **Violence and Criminal Damage**

As hackney carriage and private hire vehicle drivers maintain close contact with the public, a firm line should be taken with applicants who have convictions **for grievous bodily harm, wounding, assault or criminal damage**. At least **3 years free of such convictions** should be shown before an application is entertained.

(iv) **Dishonesty**

Hackney carriage and private hire vehicle drivers are expected to be persons of trust. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in drivers. Moreover, it is comparatively easy for dishonest driver to defraud the public by demanding more than the legal fare, etc. Overseas visitors can be confused by the change in currency and become "fair game" for an unscrupulous driver. For these reasons a serious view should be taken of any conviction involving dishonesty. In general, a period of **3 to 5 years free of conviction** should be required before entertaining an application.

THANET DISTRICT COUNCIL

Private Hire and Hackney Carriage Drivers' Knowledge Test

Guidance for Applicants

In order to offer a safe and efficient service to members of the public it is important that private hire and hackney carriage drivers have a good working knowledge of the area in which they work and the laws and policies they operate under.

Because of this all new applicants for a private hire (PH) and hackney carriage (HC) driver's licence are required to pass a driver knowledge test before their licence can be granted.

You will be notified within 7 working days of the test if you have passed or failed. If you fail you can sit the test again. A minimum period of at least two weeks must elapse between tests to give you time to study the relevant information again.

The Council's decision as to whether you have passed is final.

The test can be taken up to a maximum of three times in any twelve month period. If you fail the test 3 times you will have to wait until 12 months have passed since the date of your first test, before sitting the test again.

YOU SHOULD READ THESE NOTES ABOUT THE TEST CAREFULLY.

What the Test involves

The knowledge test is a written test and has 4 sections.

Applicants must achieve the pass mark stated in each section to pass the test.

If the pass mark is not achieved in an individual section, this will result in an overall fail.

Questions will be asked on the following:

- Policy & Conditions, Safeguarding, Disability and Equality (20 questions with a pass mark of 18/20)
- Thanet Local Area Knowledge (20 questions with a pass mark of 18/20)
- Numeracy assessment (10 questions with a pass mark of 9/10)
- Traffic signs from the Highway Code (5 questions with a pass mark of 5/5)

Hackney Carriage applicants will also have to take an additional paper where the route between two places with the shortest distance will have to be given using specific road names. (5 questions which must all be answered correctly).

When taking the test you will be required to demonstrate a good level of local knowledge which will include being able to identify the locations of certain key buildings or premises in Thanet District such as pubs, bars, schools, train stations, golf clubs, village halls, supermarkets and business parks etc.

The Licensing section of Thanet District Council's website contains guidance notes for new applicants and a copy of Thanet District Council standard conditions under which driver and vehicle licences are issued and some information on the law relating to private hire and hackney carriage licensing.

www.thanet.gov.uk/info-pages/hackney-carriage-and-private-hire-vehicle-licensing

You should study this information carefully before your test.

Other Study Tips

We advise that you obtain a good working knowledge of the local area before the day of the test.

In order to help you study for your test you should consider the following:

- spending time in the local area and studying maps;
- using the internet and/or the telephone directory to research the names of the roads on which local landmarks or bars, restaurants, schools etc are situated.

Learn the street name locations of popular tourist destinations and landmarks in Thanet.

Safeguarding

As Hackney Carriage and Private Hire drivers you have a responsibility for the safety of your passengers and safeguarding is a key concern of Thanet District Council. We believe that all licensed Hackney Carriage and Private Hire drivers should have basic safeguarding knowledge and training.

A safeguarding presentation and scenario videos have been created for drivers which can be accessed through the Thanet District Council website. We strongly recommend that you study this material and watch the videos before the test.

Disability Awareness

Under the Equality Act 2010 drivers are required to provide assistance and make all reasonable adjustments to transport disabled passengers in their vehicle. Thanet District Council are committed to ensuring that members of the public with a disability are given fair and equal access to public services including taxi and private hire transport.

We strongly recommend that you visit the Thanet District Council website knowledge test pages and read all the information and watch the video before taking the knowledge test.

The Highway Code

Although you will have had your knowledge of the Highway Code tested by the DVLA when obtaining your driving licence, it is important for us as the Licensing Authority to know that you are competent in your understanding of road signs and basic rules of the road. We recommend that you revisit the road signs section of the Highway Code to study for this section of the test paper.

What do I need to know about taking the Test?

If you have a disability which you think could exclude you from taking the test please contact a Licensing Officer to discuss your needs before the day of the test.

You must bring some form of photographic I.D. with you to the test such as a driving licence or passport. If we are unable to confirm your identity you will not be allowed to sit the test.

The test will be conducted in silence. You may only speak to the invigilator and not to any other applicants who may be taking the test at the same time.

During the test you will not be permitted to use any of the following:

- mobile phones;
- study notes;
- text book;
- hand held computers;
- satellite navigation devices; or
- any other devices or notes as deemed unacceptable by the invigilator.

Evidence of the use of any of the above will result in your test being cancelled and you could be barred from taking the test for 12 months.

Ordinarily you will not be permitted to leave the room during the test so please ensure that you have taken any comfort breaks before the test begins.

Booking and Arriving for Your Test

To book your test you must email or telephone the Licensing Department, payment will need to be made in advance. Tests cannot be booked online. Tests will ordinarily be conducted at Thanet District Council main offices, Cecil Street, Margate.

You must bring photographic identification with you.

If you have any queries regarding the knowledge test please contact the Licensing Department.
