

Self/custom build plots

- 1) The permissions required represent the numbers joining the register during the relevant base period.
- 2) Relevant permissions granted in each of the three years after the end of the base period can be used to match the permissions required. If insufficient permissions are granted the result is a shortfall.

	Base Period 1 (period ending 30 October 2016)	Base Period 2 (year ending 30 October 2017)	Base Period 3 (year ending 30 October 2018)	Base Period 4 (year ending 30 October 2019)	Base Period 5 (year ending 30 October 2020)	Total on Register
Permissions Required to meet legislative duty for individuals (1)	1	13	4	7	4	29
Relevant permissions granted Y/e 30 October 2017		14				
Relevant permissions granted Y/e 30 October 2018			15			
Relevant permissions granted Y/e 30 October 2019				26		
Relevant Permissions granted Y/e 30 October 2020					11	
Total Relevant permissions granted (2)						66
Shortfall of permissions for individuals (if any)		0	0	0	0
