

Broadstairs & St Peters Neighbourhood Plan - Referendum Decision Statement The Neighbourhood Planning (General) Regulations 2012 (as amended) - Regulations 18 (2)

1 Summary

1.1 The draft Broadstairs & St Peters Neighbourhood Plan has been examined by an Independent Examiner who issued his report on 14 June 2019. The Examiner recommended a number of modifications to the Plan and that, subject to those modifications being accepted, it should proceed to referendum.

1.2 The Plan was then re-examined on a specific issue regarding two proposed Local Green Spaces by an Independent Examiner who issued his report on 8 July 2020. The Examiner recommended modifications to the Plan and that, subject to those modifications and those of the previous Examiner being accepted, it should proceed to referendum.

1.3 The matter of the Local Green Spaces was reported to Cabinet on 16th December 2019 with a recommendation that the original Examiners modifications should be accepted, but that the Local Green Space issue should be referred for Independent Examination and then progressed to referendum. The Minute of that meeting states:

*'1. That the Examiner's Proposed Modifications be accepted except insofar as they relate to the two sites referred to in this report;
2. That the draft neighbourhood plan be referred back to Examination for evaluation as to whether or not the two Local Green Spaces should be allocated, and subsequently to proceed to referendum on that basis'*

1.4 The Council accepts the recommended modifications from both Examinations and the Broadstairs and St Peters Neighbourhood Plan, amended according to those modifications, can proceed to referendum.

2 Background

2.1 In 2014 Broadstairs & St Peter's Town Council applied to the Council to designate a Neighbourhood Area. The proposed area followed the boundary under the jurisdiction of the Town Council. Thanet District Council consulted on the application for 6 weeks from 12 November - 24 December 2014. The application was considered by Cabinet on 18th June 2015. The application met the relevant legal requirements and received largely supportive comments during the consultation, and Cabinet agreed that the Broadstairs & St Peter's Neighbourhood Area be designated under the Neighbourhood Planning (General Regulations 2012 (as amended) - Regulation 7 (1).

2.2 Broadstairs & St Peter's Town Council undertook the pre-submission consultation of its Neighbourhood Plan between 30th July and 17th September 2018, in accordance with (the Neighbourhood Plan) Regulation 14. This included notification to the Schedule 1 Consultation Bodies.

2.3 A Submission Draft Neighbourhood Plan was submitted by the Town Council to Thanet District Council on 7 November 2018 in accordance with Regulation 15. The Submission Plan was publicised by the District Council and representations were invited from the public and other stakeholders between 23rd November 2018 to 18 January 2019 in accordance with Regulation 16. The representations received were forwarded to the appointed Examiner.

2.4 The Council, in agreement with the Town Council, appointed Derek Stebbing BA(Hons), Dip E.P, MRTPI as Independent Examiner to undertake the independent Examination as to whether the Neighbourhood Plan meets the basic conditions set out in paragraph 8(2) Schedule 4B of the Town and Country Planning Act 1990. The examination took place between April and June 2019 in the form of written representations. The Examiner published his final report on 14 June 2019. The Report recommends that the Neighbourhood Plan, subject to modifications set out in the Report, will meet the Basic Conditions and other legal requirements and should proceed to referendum.

3 Decisions and Reasons

3.1 The Council considered the recommendations and also whether any modifications needed to be made to the plan for it to meet the 'Basic Conditions'. The Council supported the vast majority of provisions of the draft Neighbourhood Plan and the Examiners recommendations.

3.2 However the Council was of the view that two of the proposed areas of Local Green Space did not meet the criteria set out in the National Planning Policy Framework and should not form part of the Neighbourhood Plan. The Council carried out a consultation proposing Modifications to the Neighbourhood Plan removing the two proposed Local Green Spaces. This matter was then referred for further Independent Examination.

3.3 The Council, in agreement with the Town Council, appointed Terrence Kemmann-Lane JP DipTP FRTPI MCMI as Independent Examiner to carry out the Examination of the proposed modifications to the Broadstairs & St Peters Neighbourhood Plan. The

examination took place between April and July 2020 in the form of written representations. The Examiner published his final report on 8 July 2020. The Examiner recommended modifications to the Plan and that, subject to those modifications, and the modifications proposed by the original Examiner, it should proceed to referendum.

3.4 The Council considers that the Neighbourhood Plan, as amended by both sets of modifications (set out in Appendix 1), meets the legal requirements of the Neighbourhood Planning (General) Regulations 2012 and meets the Basic Conditions set out in paragraph 8(2) of Schedule 4B to the Town and Country Planning Act 1990 and can therefore proceed to referendum. The Basic Conditions are:

- Have regard to national policy and guidance from the Secretary of State
- Contribute to sustainable development
- Have general conformity with the strategic policies of the development plan for the area or any part of that area
- Doesn't breach or is otherwise compatible with EU obligations – this includes the SEA Directive of 2001/42/EC.

3.5 The Council consider the impacts from the Neighbourhood Plan are contained within the Broadstairs & St Peter's Neighbourhood Area and agree with the conclusions of both Examiners, that there is no reason to extend the Neighbourhood Plan Area for the purpose of holding a referendum.

3.6 A referendum will be held on 6th May 2021 with the question (in accordance with the Neighbourhood Planning (Referendums) Regulations 2012): *'Do you want Thanet District Council to use the neighbourhood plan for Broadstairs & St Peter's to help it decide planning applications in the neighbourhood area?'*
