

Poster Design Competition

We all see litter everyday:
plastic bags blowing around
in the wind.

Empty crisp packets at the park,
even plastic bottles on the beach!

When people don't put their rubbish
in the bin, it can hurt plants
and animals.

And it just makes everywhere
look a bit, well... rubbish!

**We want to stop people littering,
but we need your help.**

THEME

We need you to make some bright, brilliant, colourful A4 posters that show people how bad littering is, and make them think twice about dropping their rubbish on the floor.

The winning design will be used in our district wide campaign to help encourage people not to litter.

Oh, and we almost forgot...
You will get a PRIZE if your poster wins.
Good luck!
