- Answer ALL the questions on the form or mark them as “not applicable”
- Sign and date the form.
- Include ALL the supporting documents AT THE TIME OF APPLICATION. **A checklist is included on the application form** to help you with what you must include. Original documents must be produced when specified.
- Provide payment or proof of payment of the required fees. Current fees are on the Council’s website. Applications are processed in the order they are received and applications received earlier will be processed sooner. We accept no responsibility for delays in issuing a licence due to the late submission of an application, the return of an incomplete application or delays in the DBS being returned.

National Register of Refusals and Revocations (NR3)

The details of any decision to refuse, suspend or revoke a licence will be added to the national register of hackney carriage and private hire driver licence refusals and revocations (also known as NR3). The Council will also use NR3 to check whether any applicants for licences appear on the register as having had a licence refused, suspended or revoked by any other licensing authority.

DBS Update Service

You are required to sign up the DBS Update Service and give your consent for the Council to carry out update checks throughout the period that you remain licensed. This enables the Council to ensure no new information has come to light since a licence was issued. Where an update check reveals that new information is available, the licence holder will be required to co-operate with the requesting of a new DBS certificate to confirm the details of the new information.

Proof of Right to Work

Your right to work in the UK will be checked as part of your licence application. This could include the licensing authority checking your immigration status with the Home Office. We may also share information with the Home Office. You must either share your immigration status using the Home Office online checking service 'prove your right to work to an employer' if your status is compatible with the service, or provide a document or document combination that is stipulated as being suitable for this check.

Where an online check has been carried out, the 'profile' page confirming your right to work will be copied and retained by the licensing authority.

Where a manual check is carried out, and you have provided a document(s) set out at:

[https://www.gov.uk/government/publications/right-to-work-checks-employers-guide/an-employers-guide-to-right-to-work-checks-6-april-2022-accessible-version#annex-a-lists-of-acceptable-documents-for-manual-right-to-work-checks\(Annex A\)](https://www.gov.uk/government/publications/right-to-work-checks-employers-guide/an-employers-guide-to-right-to-work-checks-6-april-2022-accessible-version#annex-a-lists-of-acceptable-documents-for-manual-right-to-work-checks(Annex A))

you must provide the original document(s). The document(s) will be copied, and the copy retained by the licensing authority. The original document will be returned to you. Your application will not be considered valid until all the necessary information and any original document(s) have been produced and the relevant fee has been paid.

If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the licensing authority.
